

Upon completion of the deal, Risen Energy and Sun Power will explore the BESS development at Merredin together. Risen Energy will continue to serve as the operations and maintenance contractor for Merredin after the deal concludes. Sun Energy CEO Philip Lee said: "As a solar power developer headquartered in Singapore, Sun Energy has been ...

A Project to retrofit solar renewable energy and natural lighting into the Environment, Natural Resources & Planning (ENRP) Building at Scotland, St Paul's, has recently been completed (see photos attached). The Project was announced by His Excellency the Governor at the Queen's Birthday Garden Party at Plantation House in June 2021 and was ...

Switching to solar energy is an excellent way to support Port St. Lucie's solar energy initiatives and reduce carbon emissions in our community. Utilizing every solar-viable roof in the city would offset an estimated 820,000 cubic tons of carbon dioxide--the equivalent of taking around 173,000 cars off the road for an entire year.
