I hired Sunshine Solar Services for a large commercial photovoltaic system analysis. Jay was on-site for several days performing a deep dive, full system evaluation. He confirmed previously known issues, and showed us additional issues and safety concerns. Additionally, Jay presented the amount of energy recovery loss from the issues presented.

At Sunshine Solar, we understand the increasing interest in solar solutions and the rising inquiries about battery backups. With over 17 years of unwavering expertise, we are committed to ensuring your peace of mind when the grid falters. Local Brick & Mortar Solar Installers;

If a small turn-key rooftop PV system costs more than double the price in Argentina and Chile (\$1,750/kW) than in neighbor Brazil (\$800/kW) or across the world in distant Australia (\$700/W), and...
