What is sunroof?

SunRoof is a smart investment and functional roof providing an efficient energy solution with uncompromising elegance. Our mission is to speed up the global transition to renewables by developing elegant roofs that, by generating electricity, will cover the energy demand of the entire building.

Who makes sunroofs?

The sunroofs we use are made by Signature Automotive who is at the top of their game and are also contracted by almost every major car manufacturer to design the components which are used in factory installed sunroofs. We are a leading authority on installation of aftermarket, full power, sunroofs and moonroofs.

Is sunroof a good choice?

Cheaper than a regular roof plus PV panels, SunRoof is an economical and aesthetically pleasing solution. Swedish quality and design make SunRoof an attractive choice for customers who value both functionality and the appearance of their homes.

Where can I get my Car sunroofs serviced in the UK?

For quality servicing, repair, and diagnostics of car sunroofs in the UK, call the highest-rate mechanics in North West England listed on Yell.com. They provide expert knowledge and vehicle servicing at your location for all vehicle makes and models.

What's new at sunroof?

After a first closing announced in September, solar power pioneer SunRoof is today announcing a EUR13.5 million extension with new investment from a syndicate of leading European climate tech investors, including World Fund, Nordic Alpha Partners and L&G Capital.
