The Super Glide has always been the basic, no-frills, entry-level 1340 Harley. At a full grand cheaper than any of the other 80 cubic inch Hogs, the bare bones FXR has never had the glitter and gloss to get anyone in a lather. Think of it as a 1340 Sportster, a 1340 Sportster with a big, Fat Bob tank, and you won't be too wide of the mark. ...

South Burlington, VT - Dynapower, the global leader in energy storage inverters, and Intertek, a leading provider of quality solutions to industries worldwide, are proud to jointly announce that Dynapower's MPS-250 is the ...

The Super Glide Custom, in many ways, is Harley-Davidson. The SGC perpetuates the Super Glide lineage but brings that lineage into the 21st century with conveniences like fuel injection, which offers precise throttle response, and electric start - a far cry from the original Super Glide's kickstart-only method of firing up its Big Twin.

Imagen: Cubalite. En diciembre de 2018, leíamos una información sobre la apertura de una nueva opción de compra online en Cuba, el Centro Comercial Digital Superfácil. Este no era el primer acercamiento al comercio electrónico, pues desde antes existía la tienda virtual Carlos III. Entre estos hay grandes diferencias, pero esta es la más grande: la ...

Background: Current imaging algorithms for post-device evaluation are limited by either poor representation of the device or poor delineation of the treated vessel. Combining the high-resolution images from a traditional three-dimensional digital subtraction angiography (3D-DSA) protocol with the longer cone-beam computed tomography (CBCT) protocol may ...

Cuba welcomed on Tuesday a seventh floating power plant to its growing fleet of shipboard generators as the communist-run country seeks to bolster its grid and bring relief to citizens who for...

If in 2019 Cuba spent between 150 and 170 million dollars to buy fuel, in 2022 it was 1.7 billion, a figure that has continued to grow since then. This has happened, moreover, at a time when the island's income has fallen significantly in the midst of the deep economic and financial crisis it is experiencing. Thus, last May the director of ...
