What is bboxx?

Bboxx is a data-driven platform that provides innovative technologies and financing for energy access for millions of people across Africa. Through a range of clean energy products, Bboxx is catalyzing economic development and making progress on the Global Goals.

What is Flexx by bboxx?

Flexx by bboxx is a new brand launched by Bboxx to help the company reach the other 75% of communities that it has not yet served, having already delivered clean energy solutions to over 2 million people globally, with substantial operations in countries including Rwanda, Kenya, Togo, and the Democratic Republic of Congo. Many of these products are aimed at the top 25% of rural communities.

How is bboxx impacting the world?

Bboxx is positively impacting the lives of more than 2.5 million people in 11 markets, directly contributing to 11 of the 17 United Nations Sustainable Development Goals. Bboxx has over 3,000 staff across Africa and offices in the UK and China.

Where does Bboxx launch its new brand Flexx?

Bboxx first launches its new brand Flexx by Bboxx in Rwanda and Kenya. It will expand to other Bboxx markets, including the Democratic Republic of Congo, in subsequent months.

Can bboxx replace LPG?

De Muylder: Bboxx's vision for clean cooking is scaling LPG in Africa as a transition fuel from charcoal to the next fully green fuel. Hopefully, in 20 years there will be a sustainable substitute for LPG. Once proven and cheap, it can replace LPG and scale using the same infrastructure. With it, our vision may change.

Flexx by Bboxx will bring new and reliable products to market that are affordable, accessible, and flexible, getting millions more people onto the energy ladder. As part of the launch, Bboxx announced two new solar energy ...

Economic benefits for Bboxx SHS users The most beneficial economic impact experienced by Bboxx customers in Beni was saving money on the cost of Bboxx SHS compared to alternative home energy options. This was complemented by the travel cost and time savings from no longer having to regularly leave their homes to buy alternative energy products.

With a heritage in sustainable energy provision, Bboxx has evolved into a super platform, accelerating access to a broader range of essential products and services for millions of people in hard-to-reach areas across
