

Taiwan viggo energy limited

Why did viggoenergy start?

So we started ViggoEnergy in 2021, launching our first publicly available EV charging station. As time passed, we realised that setting up ultra fast chargers in urban areas would be key for the electrification of our mobility in all European cities. So our ambitions increased, and the need for a new identity appeared.

Who is viggoenergy's head of real estate?

Meet Tom, our Head of Real Estate for ViggoEnergy, who's celebrating one year of working at Viggo this month! ? One thing to know about Tom is that he has a network that could get you into Fort Knox. Name a person.

What is viggobooker?

ViggoBooker is a must-have tool for any hospitality company and businesses with a front office that want to make transportation booking easy and seamless. With ViggoBooker we made a complete over-haul of the UX, creating a much smoother UI while also introducing new features.
