How many homes will be powered by the 6th renewables auction?

Sixth renewables auction delivers record smashing 131 clean energy projects powering equivalent of 11 million homes. Millions of homes and businesses across Britain will be powered by a new supply of clean, cheap, homegrown energy as a record number of projects receive funding through the government's most successful renewables auction to date.

When will a new energy auction open?

The auction, which will be the sixth of its type, will open to bidders from March 27, a separate document published by the Department for Energy Security and Net Zero said. The budget for the sixth round is significantly higher than the last auction, held in 2023, which had a budget of 227 million pounds.

Why does the UK have a renewable power auction?

To help ensure projects are built, it holds annual auctions offering renewable power developers a guaranteed price for their electricity. "The government is providing clarity and certainty for investment into the UK's renewables sector... setting the largest ever budget for a single round of over 1 billion pounds," the budget document said.

What is the record contracts for difference (CFDs) auction for UK solar?

Record contracts for difference (CfDs) auction for UK solar results in more than 90 projects securing fixed-price contracts. It follows intervention from the new UK government in summer 2024 to increase the auction budget. Strike prices achieved for all renewables technologies were well below the auction's ceiling price.

Where can a company bid for solar in the UK?

Companies can bid for Solar tenders in the UK from thousands of sources including all official websites, UK municipal websites, UK newspapers and journals.

What happened at the UK CFD auction 2024?

It follows intervention from the new UK government in summer 2024 to increase the auction budget. Strike prices achieved for all renewables technologies were well below the auction's ceiling price. A record number of solar projects secured contracts through the sixth UK CfD auction. Image: Medienservices, Pixabay
