

# Trinity 535 photovoltaic panel price

How much does a Trinity Solar System cost?

The average cost of solar panel systems in the US is about \$16,000, with a range of \$4,500 and \$36,000. There are three ways to pay for a Trinity Solar installation system: \$0 Upfront: With this method, the homeowner leases the system from Trinity with zero money due upfront.

Is Trinity solar a good solar inverter company?

Trinity Solar offers Q-Cells for solar panels, which are highly efficient. Q-Cells panels boast an energy efficiency between 20.6% and 21.4%, which is comparable to the best in the industry. The company offers more selection for solar inverters, including equipment from SolarEdge, Tesla, and Generac.

Is Trinity solar a good solar installer?

Although some customers have had an unpleasant experience with Trinity's customer service, its massive growth over the years and majority of customer reviews suggest that the company's customer service - particularly the customer service manager - is laudable. Trinity Solar is not necessarily identified as an inexpensive solar installer.

What is a typical installation experience with Trinity solar?

A typical installation experience with Trinity Solar would look as follows: The first step of going solar with Trinity is an energy consultation. It consists of submitting your address, phone number and electricity bills. This is followed by a discussion with a sales rep and an analysis of your bills.

Does Trinity solar offer a roofing service?

Trinity is also set to launch a roofing service in the near future. A typical installation experience with Trinity Solar would look as follows: The first step of going solar with Trinity is an energy consultation. It consists of submitting your address, phone number and electricity bills.

What warranties does Trinity solar offer?

Trinity Solar's warranties are relatively basic. The company offers a five-year warranty on workmanship for any solar, roofing or battery backup installations. The company also passes manufacturer warranties onto the customer, which usually covers the products for 25 years, but this depends on the brand and products chosen.
