

Verdict in photovoltaic panel theft case

How many people have been sentenced for solar panel fraud?

The 6 offenders were sentenced by His Honour Judge Warnock: Six men have been sentenced for a total of just over 30 years for their part in a £17 million solar panel fraud scheme.

Are solar panels stolen?

Several instances of solar panel theft have been reported, including an incident at Gateshead International stadium as well as a larger incident in 2021 in which 221 solar panels were stolen from a solar farm. Solar panel theft is the primary issue, although some landowners report that it isn't just the panels themselves that are stolen.

Who were the victims of a £17m solar scheme?

Today a jury at Liverpool Crown Court found six men guilty of running a £17m fraudulent scheme to install solar panels which defrauded 1,500 victims including elderly, retired and vulnerable people.

How much does a solar theft cost?

Strecke says European solar thefts typically cause EUR60,000 (\$63,900) of damage, when repairs and loss of business are factored in. "Solar crime is on the increase," says Rachael Oakley, director of crime intelligence at Telford-based DeterTech, formally known as SmartWater Group thanks to its product-marking technology.

Are solar panels a crime?

Vandalism is not always a planned, deliberate crime. Still, it can be caused by disruptive individuals who see a remote field of solar panels as a chance to cause extreme damage without being caught, smashing solar panels and rendering them redundant.

Are solar panels a target for criminals?

Large solar panel farm installations can cost hundreds of thousands of pounds, and even small-scale residential grids require an upfront investment. This factor is one of many that make solar panels an easy target for criminals. Let's look at some of the major issues:

Thankfully, solar panel theft is relatively rare but that doesn't ... But the problem is that you would have to screw into the frame of the panel. In the case of many manufacturers, doing so would invalidate the warranty, so in ...
