

If you ever visit Cocos (Keeling) Island, playing a round of golf is a must do experience, even if you are not a golfer. For a start, it is the only golf course in the world where you tee off across an international runway. As a very average golfer, I was hesitant about playing in their scoungers competition which is on every weekend.

Google satellite map provides more details than Maphill"s own maps of Cocos (Keeling) Islands can offer. We call this map satellite, however more correct term would be the aerial, as the maps are primarily based on aerial photography taken by plain airplanes.. These planes fly with specially equipped cameras and take vertical photos of the landscape.

Cocos Castaway, stylish, ocean side, self-contained accommodation located on West Island on the beautiful and remote Cocos (Keeling) Islands, the "jewel of the Indian Ocean",. Cocos Castaway is a smoke free property. This exclusive complex provides a private and relaxed atmosphere with the majestic Indian Ocean right at your back door.

The Crescendo platform - a scalable on-demand vertical power architecture for upwards of 3,000A power domains - integrates all power components in a single device thin enough to relocate underneath the processor and supply on-demand kilowatt power with high speed and accuracy.

The Cocos (Keeling) Islands are a group of two coral atolls with 27 islands, located about halfway between Australia and Sri Lanka. Only two islands are inhabited, West Island and Home Island, with a combined land area of about 14 square kilometers (5.4 square miles).

They focus on renewable energy solutions for commercial and industrial clients. Vertical-axis wind turbines
