

Vikram solar products Comoros

Who is Vikram Solar Limited?

Vikram Solar Limited is an Indian company based in Kolkata. It is one of the largest solar module manufacturers in India (by capacity), with 3.5 GW module manufacturing capacity annually and the second-largest solar energy company in India by revenue.

Are Vikram Solar panels a good choice?

Their models range from budget-friendly 340W panels to high-performance 715W modules. Efficiency generally floats from 20.2% to 23%, competing with that of top brands. The high performance and efficiency make Vikram Solar modules a great option for both residential and commercial solar systems.

How is Vikram Solar's manufacturing process optimized?

Our processes are optimized through practice of lean manufacturing and Six Sigma methods. We, at Vikram Solar, are focusing on converging digital technologies with manufacturing operations.

Where is Vikram Solar located?

In February 2016, the company partnered with Powertech Africa, an African distributor of energy technology, thereby entering 14 new markets in Sub-Saharan Africa, including Botswana, Zimbabwe, and Tanzania. Vikram Solar already operates offices in Kenya, Uganda, and South Africa. In June 2016, the company won the National Excellence Award.

How many MW of solar modules did Vikram Solar supply?

Vikram Solar Supplied 4.3 MW of Modules for a solar farm in Ware, Massachusetts, United States. Vikram Solar Supplied 52.6 MW of Modules to Southern Current, United States. 4.2 MW project commissioned in the US with Vikram Solar modules.

What are some of Vikram Solar's Project references?

Below are some of Vikram Solar's project references: Vikram Solar Supplied 4.3 MW of Modules for a solar farm in Ware, Massachusetts, United States. Vikram Solar Supplied 52.6 MW of Modules to Southern Current, United States.

VIKRAM SOLAR LTD CIN: U18100WB2005PLC106448. REGISTERED OFFICE "Yashvishree" Biowonder, 11th Floor, Unit No 1102, 789, Anandapur Main Road, East Kolkata Township, Kolkata 700107, West Bengal, India CORPORATE OFFICE The Chambers, 8th Floor, 1865, Rajdanga Main Road, Kolkata 700107, West Bengal, India

The performance will decline by no more than 2% during the first year and then by no more than 0.55% every year after that. After the 27 years are over, your modules will retain at least 83.7% of their original performance. ...
