How popular is Weibo livestreaming in China?

As livestreaming continues to gain popularity in China, so do the controversies surrounding the industry. Negative headlines involving high-profile livestreamers, as well as aspiring influencers hoping to make it big, frequently dominate Weibo's trending topics. These headlines usually revolve around China's so-called "w?nghóng (??) influencers."

Which Chinese games are trending on Weibo this week?

A Chinese game that has been in development for over four years is top trending on Weibo this week. More than that: it's a national sensation. Black Myth: Wukong (?????) was officially released on August 20, surpassing all expectations. Within an hour of its release, it topped the "Most Played" list on Steam, with over 2 million concurrent players.

Why is a Zhong a popular 'idol' on Weibo?

This public frustration is evident in a 2019 Weibo post and hashtag from People's Daily. The five-year-old post personified China as a young male idol, promoting patriotism through fandom culture with the slogan "We all have an idol named 'A Zhong' (# ????????????? #)" ['A Zhong' was used as a nickname to refer to a personified China].

Can Weibo help Chinese internet users become more open minded?

She believes that, despite the many obstacles, Chinese social media sites such as Weibo can help Chinese internet users to become more informed and open-minded regarding various social issues in present-day China.

What is a negative headline on Weibo?

Negative headlines involving high-profile livestreamers, as well as aspiring influencers hoping to make it big, frequently dominate Weibo's trending topics. These headlines usually revolve around China's so-called "w?nghóng (??) influencers. Wanghong is a shortened form of the phrase "internet celebrity" (w?ngluò hóngrén ???).
