

# What is the name of the storage cabinet that can hold pots

Are hanging pot racks a good idea for kitchen storage?

Finding kitchen storage hacks and kitchen storage products that won't create an eyesore can be a challenge, especially when you've got several bulky pots and pans to store. While any pot rack can hold your kitchen gear, hanging pot racks are a smart solution when you're working with a large or small kitchen.

Should you use a cabinet for pots and pans?

If you're going to use a cabinet for pots and pans, the organization is key for making sure you can see everything and no smaller pot gets lost in the back. Here pots are stacked in size order and a cookware rack acts as a divider to keep pans organized without scratching each other.

Why do you need a pot rack?

A pot rack is ideal for cookware and utensil storage when cabinet space is limited. This open storage solution makes items readily accessible and simple to put away. In addition, using a pot rack eliminates the challenge of looking for cabinet or drawer space to store pots and pans after cleanup.

How many pots can a pot rack hold?

Pot racks come in a variety of sizes and mounting capabilities. This simple metal pot rack can store up to 12 pots and pans. The ceiling-mounted rack hangs above a prep space near the range, providing easy access while cooking. Additionally, the pot rack frees up cabinet space, so there's more room to store other kitchen appliances and dinnerware.

Can pot racks be used as kitchen decor?

Pot racks free up cabinet space by storing pans and skillets out in the open and bring stylish organization to a kitchen. Use these pot rack ideas for practical storage that doubles as kitchen decor, mounted from the ceiling, under cabinetry, or against a wall. From pegboards to ceiling fixtures, we have a solution that will work in your home.

Do you need a pot rack and Pan organizer?

To help streamline cooking, organize cabinets, and declutter--without renovating the entire kitchen--consider investing in a pot rack and pan organizer. In addition to whipping up meals with cookware at your fingertips, they help keep your pots and pans scratch-free.
