For years now, we have been putting a battery backup on every workstation we set up. We never even thought twice about it, until recently. Now that our company is up to over 300 employees and looking to be over 700 in the next few years, we are wondering if a battery backup at each station is still necessary. Our justification for the backups was that since our ...

St Helena is surrounded by many smaller islands. Those on the North-western side are most visited because the sea is calmer here - the ocean waves, like the wind come from the South-east. Only the larger islands have names (or at least, only these appear on maps). ... With battery atop to guard the Northern coast; A sanctuary today, it is the ...
